The image shows a screenshot of a Turbo C++ (TC) window. The window has a yellow title bar with the text "TC" and standard Windows window controls (minimize, maximize, close). The main area is black with white text. The text displayed is: "Enter first string rasool", "Enter second string saloor", and "They are anagram strings". In the bottom right corner of the window, there is a message: "Activate Windows Go to PC settings to activate Windows." The Windows taskbar is visible at the bottom, showing various application icons including Windows, DEV, File Explorer, Calculator, Zoom, and others. The system clock in the bottom right corner shows "04:46 PM 09-Apr-25".

strcpy(s2,s1);
strrev(s2);
puts(stricmp(s1,s2)==0?"Palindrome":"Not a Palindrome");
getch();
}
```

At the bottom of the window, there is a taskbar with icons for Windows, DEV, File Explorer, Calculator, Zoom, and other applications.
